

## Weather: Preflight Tools and Inflight Tactics

This fantastic weather seminar, presented by Bill Frank, will cover both Preflight Planning and Decision-making as well as Inflight Weather Tactics. Bill presents a wealth of practical information coupled with incredible in-flight footage.

Join us from 9:30 AM - 3:30 PM for this informative event at JATO Aviation at the San Carlos Airport

**Directions:** Off Highway 101 take Holly Street Exit and go East towards the Bay. Turn right at the first light onto Airport Drive. Follow to the terminal building parking lot.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
